Designed by Steve Cartwright. This game is a space nightmare! Imagine, if you can, fighting off multiple waves of the strangest objects ever to defy the laws of gravity. And there's no rest. Celestial dice, spinning bow-ties, furious flying widgets and even hostile hamburgers. If it's not one "thing," it's another. And they can drop round after round of deadly disintegrators. You'd better hope you and your courage are wide awake when you play MegaMania™ by Activision.®

**Available,
September 1982**

Designed by David Crane. Seek out the lost treasures of an Ancient Civilization hidden deep within the forbidding jungle. Swing through trees, jump over bottomless pits and journey through underground passageways, avoiding the perils of the jungle — crocodiles and cobras, scorpions and quicksand. All to find the gold — in Pitfall!™ by Activision.®

Designed by Alan Miller. You're in the cockpit of a mighty intergalactic spacecraft. Your mission: Defend your starbases against attacking enemy starfighters. Galactic charts pinpoint enemy targets. Meteor showers slow your attack. And enemy particle cannons can quickly send you limping home to your orbiting starbase for repairs. Computer readouts reveal energy levels, ship damage and more. Without a doubt, Starmaster™ by Activision® is one of the most thrilling video game experiences of the year!

Designed by Bob Whitehead. You're flying escort for a truck convoy of medical supplies. Suddenly, enemy aircraft show up on your long-range scanner. Quickly, you whip your chopper around 180°, blanketing the sky with laser rockets. The enemy maneuvers brilliantly and responds with multi-warhead missiles. Chopper Command™ by Activision® could easily be the most demanding video battle ever conceived!

1982 Arcade Alley Award Winner, Best Audio and Visual Effects.

Like we said, "Very simple." P.S. Before you know it, bombs are falling at a rate of 13 per second! Is the hand really quicker than the eye? Try Kaboom!™ by Activision® and find out.

Your task is to guide the poor chicken to the other side of the freeway. Get the picture? And if you get the game, you'll agree there's never been anything like Freeway™ by Activision®.

Designed by Bob Whitehead. Ready for a little round-up? With *Stampede™* by Activision®, you'll have to ride fast and rope even faster. Head out West for hours of fun with *Stampede!*

Designed by Steve Cartwright. Fasten your seatbelts! This flight is going to be very rough and lots of fun. It's *Barnstorming™* by Activision®.
